- Very Adjusting

#### Technical Skills

- HTML
- CSS
- JavaScript (basic)

#### Tools

- Figma
- Framer
- FigJam
- Adobe Illustrator
- Photoshop
- Miro

### ABOUT ME

I'm Paawani Malik, someone who believes in thinking things through before jumping to solutions. I enjoy spending time understanding the problem and shaping the story with clarity and intention. I have a keen eye for details and often notice subtle, meaningful observations that others overlook.

### PROJECTS

#### 1. OMNICHANNEL

Pet Travel Service Experience - **PAWSNGO**

SEPTEMBER 2025

Designed a fully physical, end-to-end pet travel service with dedicated menus, daycare, safety solutions, and a multipurpose pet traveler for a smooth journey.

#### 2. DESIGN PROCESS 2

Budget friendly healthy thali builder - **THALITALES**

OCTOBER 2025

Designed a modern app for building budget-friendly, healthy thalis with customized plans for students, professionals, and elders, extended into a cloud kitchen and franchise model.

#### 3. DESIGN PROCESS 1

Inclusive Mobility Solution

JULY 2024

Designed a two-person wheelchair-cycle focused on accessibility, comfort, and shared mobility for a specific user group.

#### 4. LEVEL 2 ADAS ATV

BAJA 2025 – All-Terrain Buggy Project

OCTOBER 2025

Contributed to a Level 2 ADAS concept for an all-terrain vehicle, focusing on safety, assisted driving features, and user-vehicle interaction in off-road conditions.

### EXPERIENCES

#### 1. GROWTH LEADER AT SKILL LEVEL

FEB-JUNE 2025

Increased brand visibility and student engagement through campus and social media promotions; led outreach and onboarding for interns and ambassadors
